# Recombinant Mouse EGF Protein

Catalog No.: RP01684

Recombinant

## Sequence Information

Species	Gene ID	Swiss Prot
Mouse	13645	P01132

### Tags

No-tag

### Synonyms

beta-urogastrone; EGF; epidermal growth factor (beta-urogastrone); epidermal growth factor; HOMG4; pro-epidermal growth factor; URG; Urogastrone

## Product Information

Source	Purification
<I>Pichia</I>	> 97% by SDS-PAGE.

### Endotoxin

<1EU/μg

### Formulation

Lyophilized from a 0.22 μm filtered solution of PBS, pH 7.4.

### Reconstitution

Centrifuge the vial before opening. Reconstitute to a concentration of 0.1-0.5 mg/mL in sterile distilled water. Avoid vortex or vigorously pipetting the protein. For long term storage, it is recommended to add a carrier protein or stabilizer (e.g. 0.1% BSA, 5% HSA, 10% FBS or 5% Trehalose), and aliquot the reconstituted protein solution to minimize free-thaw cycles.

## Background

EGF is the founding member of the EGF-family of proteins. Members of this protein family have highly similar structural and functional characteristics. EGF contains 9 EGF-like domains and 9 LDL-receptor class B repeats. Human EGF is a 6045-Da protein with 53 amino acid residues and three intramolecular disulfide bonds. As a low-molecular-weight polypeptide, EGF was first purified from the mouse submandibular gland, but since then it was found in many human tissues including submandibular gland, parotid gland.

## Basic Information

### Description

Recombinant Mouse EGF Protein is produced by <I>Pichia</I> expression system. The target protein is expressed with sequence (Asn977-Arg1029) of mouse EGF (Accession #NP\_034243.2) fused with no additional amino acid.

### Bio-Activity

### Storage

Store the lyophilized protein at -20°C to -80°C for 12 months. After reconstitution, the protein solution is stable at -20°C for 3 months, at 2-8°C for up to 1 week. Avoid repeated freeze/thaw cycles.

## Contact

## Validation Data

---

Recombinant Mouse EGF Protein was determined by SDS-PAGE with Coomassie Blue, showing a band at 11 kDa.
