

Nuclease-free H₂O

WEB: www.abclonal.com

Catalog: RK20102

Size: 25 ml

Concentration: /

Components:

Nuclease-free H ₂ O	RM20214
--------------------------------	---------

Storage: -20 °C

QC Process:

- ◆ Free of detectable DNA exonuclease and endonuclease.
- ◆ No residual host genomic DNA is detected by PCR.
- ◆ Free of detectable RNase activities.
